

Technode で iPad Receptionist を再び取り上げていただきました: Amusing (But Serious) iPad Receptionist App Released, Real Receptionists Beware!

2012/05/28

When I was in Barcelona for Mobile World Congress I discovered some very interesting Japanese mobile apps and reported on it here “5 Very Cool Japanese Mobile Technology Companies from Mobile World Congress”. One of them was iPad Receptionist by a company called Analog 12, which has just been officially released on the Apple App Store.
